Steve -- Thanks for agreeing to an extension of time for San Luis Obispo

Mothers for Peace's responses to the Staff's discovery request dated January 16, 2003. As I informed you on the telephone yesterday, SLOMFP is planning to rely on witnesses put forward by the CEC. The CEC is in the process of securing one or perhaps two witnesses, but their availability hasn't been confirmed yet.

As we agreed, SLOMFP will file its response by Friday, January 31.
