RULEMAKINGS AND
ADJUDICATIONS STAFF

Stephen,

This e-mail is intended to memorialize the conversation that we just completed. I contacted you on behalf of all of the current Section 2.715(c) participants in the PG&E ISFSI proceeding: the California Energy Commission, the Avila Beach Community Services District, and the County of San Luis Obispo. I requested an extension of the due date for responding to the NRC Staff's interrogatories. These responses were originally due by Monday, January 27, 2003. You have authorized the Section 2.715(c) participants to change the due date for filing responses to the NRC Staff's interrogatories to Friday, January 31, 2003. Thank you for authorizing this change.
