MEMORANDUM TO: Charles A. Casto, Director,
Division of Reactor Safety, Region II
/RA/
FROM: Bruce A. Boger, Director
Division of Inspection Program Management, NRR
SUBJECT: THANK YOU

Thank you for hosting and participating in the recently conducted NRC Operator Licensing Examiner Conference. Your insights on human performance, industry trends, and NRC focus areas were much appreciated by the attendees. The Region II Operator Licensing staff did a great job in the set up and coordination of the conference, and made everyone feel welcome. In addition, their presentations associated with the National Exam bank and other electronic initiatives were much appreciated. We have many challenges ahead associated with operator licensing and human performance, and I look forward to the staffs' continued work together in addressing these challenges.
