Docket No. 50- 443

Response to Order for Compensatory Measures Related to Access Authorization

In accordance with the Nuclear Regulatory Commission's (NRC) Order dated January 7, 2003, Florida Power & Light Company (FPL) and FPL Energy Seabrook, LLC (FPLE Seabrook) hereby notifies the NRC that the compensatory measures required by the Order will be completed by the deadlines for each item set forth in the Order.

Attachment 1 provides a status of each compensatory measure for St. Lucie, Turkey Point and Seabrook Station. FPL and FPLE Seabrook have therefore satisfied the condition of item C.1 of the Order.

FPL and FPLE Seabrook will revise their security plans to incorporate the compensatory measures required by the Order. These changes will be completed in accordance with 50.54(p)(1) as a change which will not decrease the effectiveness of the security plan. FPL and FPLE Seabrook will also report to the NRC when full compliance with the compensatory measures has been achieved, as required by Item C.2 of the Order.

Should you have questions concerning this matter, please contact Don Mothena, Manager, Nuclear Plant Support Services at (561) 694-4218.

Sincerely yours,
