Edward S. Christenbury, Esquire
Director and Chief Counsel
Office of the Executive Legal Director
Nuclear Regulatory Commission
Maryland National Bank Building
7735 Old Georgetown Road
Bethesda, Maryland 20014

Dear Mr. Christenbury:

In accordance with my conversation with George Johnson on May 6, 1986, I am enclosing a final signed copy of the application of General Atomic Technologies Corporation ("GATC") for the consent of the Nuclear Regulatory Commission to a transfer of control of GA Technologies Inc. This application was originally sent to you in draft form on April 29, 1986. For your convenience, I have also enclosed two copies of the final application.

As Mr. Johnson and I discussed, GATC hopes to consummate this transaction within sixty days.

Thank you very much for your assistance in connection with this application.

Very truly yours,

John F. Pritchard
