I, THE UNDERSIGNED, HEREBY CERTIFY THAT:

- All information in this report is true and complete.
- I have read and understand the provisions of the general license to 10 CFR 150.20 required on the instructions of this form, and I understand that I am required to comply with these provisions as to all byproduct, source, or special nuclear material which I possess and use in non-agreement States or offshore waters under the general license for which this report is filed with the U.S. Nuclear Regulatory Commission.
- I understand that activities, including storage, conducted in non-agreement States under general license to 10 CFR 150.20 are limited to a total of 100 days in calendar year, with the exception of work conducted in offshore waters, which is unlimited for an unlimited period of time in the calendar year.
- I understand that I may be inspected by NRC at the above listed work site locations and at the licensee home office telephone for purposes prescribed in non-agreement States or offshore waters.
- I understand that conduct of any activities as described above, including conduct of activities at locations different from those described above or without NRC authorization, may subject me to enforcement action, including civil or criminal penalties.
