SUBJECT: Request for Transfer of Certificate of Compliance 71-9070 (N-55 Overpack)

REFERENCE: VECTRA Technologies, Inc. Notification Letter to NRC, dated February 5, 1998

Dear Mr. Chappell:

In conjunction with the reference notification letter from VECTRA Technologies, Inc., Transnuclear, Inc. (TN) hereby requests transfer of Certificate of Compliance (COC) 71-9070 from VECTRA Technologies, Inc. to Packaging Technology, Inc., a wholly owned subsidiary of TN.

In accordance with the regulatory requirements applicable to certificate transfer, TN accepts the responsibility for the completeness and accuracy of the statements and representations in the Safety Analysis Report for the N-55 Overpack. In addition, Packaging Technology, Inc. will be responsible for maintenance of the COC, the SAR and the existing quality assurance records. Packaging Technology's Quality Assurance Program is NRC approved (Ref Docket 71-0678, Expiration date September 1999).

Should you have any questions concerning this notification, please contact David Dawson at 408-281-6037.

Sincerely,

Alan Hanson
President and Chief Executive Officer
