Docket 50-269, -270, -287
Selected Licensee Commitments Manual (SLC)

Gentlemen:

Pursuant to 10CFR 50.4 and 50.71, please find attached 7 copies of the latest revisions to the Oconee Selected Licensee Commitments Manual (SLC). The SLC Manual is Chapter 16.0 of the Oconee Updated Final Safety Analysis Report (UFSAR). This manual is intended to contain commitments and other station issues that warrant higher control, but are not appropriate for inclusion into the Technical Specifications (TS). Instead of being updated with the annual UFSAR Update, the SLC Manual will be updated as necessary throughout the year.

Very truly yours,

R. A. Jones
Vice President
Oconee Nuclear Station

Revision

On January 13, 2003, Station Management approved a revision to SLC 16.1-1, Introduction. The change revises the Introduction to reflect changes in the requirements for review and approval of SLC changes. The SLC was implemented on January 15, 2003.
