SUBJECT: INFORMATION REQUEST REGARDING ACTIVITIES AT
ALLIANT INTEGRATED DEFENSE COMPANY, LLC LOCATED IN
NEW BRIGHTON, MINNESOTA.

Dear Dr. Ziebold:

This letter is in response to your e-mail dated December 8, 2002, in which you requested information relating to soil, sediment, surface water and ground water radiological surveys at Alliant Integrated Defense Company of New Brighton, Minnesota. You also stated that you had tried several times to access the NRC's Agencywide Documents Access and Management System (ADAMS) but, the "guest without any password" function was not working. You subsequently provided your address to us on December 20, 2002.

The information you have requested is normally publically available. In general, documents that have been obtained by the NRC since 1999 are located electronically in the NRC's Agencywide Documents Access and Management System (ADAMS). Documents dated prior to 1999 can be obtained through a Freedom Of Information Act (FOIA) request.

In response to the difficulties that you mentioned you were having in gaining access to ADAMS, you should contact the Public Document Room (PDR) at 1-800-397-4209 where the NRC staff can help you gain access. If you seek information that is not contained within ADAMS, you may contact Ms. Jeannie Choe at 1-800-522-3025 and request information through the FOIA process. Ms. Choe can provide you with specifics regarding the FOIA process.

If you still cannot obtain the information you requested after using the methods I have listed, please contact Mr. Michael LaFranzo of my staff at 630-829-9865. We appreciate the opportunity to serve you.

Sincerely,

/RA/

Christopher G. Miller, Chief
Decommissioning Branch
