

SCIENTIFIC ECOLOGY GROUP, INC.

October 10, 1997

Mr. William F. Kane, Director
Spent Fuel Project Office, NMSS
U.S. Nuclear Regulatory Commission
Washington DC 20555

Dear Mr. Kane:

This letter is written to request the transfer of the Certificates of Compliance, listed in the attachment, from Scientific Ecology Group, Inc., (SEG) to Molten Metal Technology of Tennessee, Inc., (MMT-TN). MMT-TN will be the primary holder for the listed packages.

MMT-TN accepts responsibility for the completeness and accuracy of the statements and representations in the respective safety analysis reports for the package designs. MMT-TN will be responsible for maintenance of the certificates, the safety analysis reports for the packages and the existing quality assurance records, in accordance with 10CFR 71.91 and MMT-TN quality assurance program (which is NRC approved, cf. Docket 71-0870). Records required by 10CFR71.91 for the package design are maintained at the MMT-TN document control center in Oak Ridge, TN.

Sincerely,

Laticia Hodges, Manager
