Ron,

I have reviewed the the previous request for document to support the permanent modification and 50.59 inspection and find it adequate for the rescheduled inspection to be conducted at the Clinton plant from December 9 to 13, 2002. We need the first documents by December 2, 2002, for inspection planning. If there are questions on this request or any other inspection related items then please call me at (630) 829-9728 or Ron Gardner at (630) 829-9751.

Thanks,

Al Walker
