Davenport, IA 52801-1490

SUBJECT: MAINTENANCE OF REFERENCE MATERIAL AT THE DAVENPORT PUBLIC
LIBRARY FOR THE QUAD CITIES NUCLEAR POWER STATION LICENSE
RENEWAL APPLICATION

Dear Ms. Stone:

The Nuclear Regulatory Commission (NRC) staff appreciates the support of the Davenport Public Library in assisting the public with participation in the NRC license renewal process for the Quad Cities Nuclear Power Station (QCNPS), Units 1 and 2. Mr. Louis Wheeler, of the NRC staff, recently visited your library to discuss this interest with you. As discussed, your support would consist of providing shelf space in your reference section which would be used for making documents related to the NRC staff's environmental review of the QCNPS license renewal application available to the public.

We will place the Davenport Public Library on our distribution list for documents and notices related to the application for license renewal at QCNPS.

Thank you for your cooperation and support. If you have any questions, you can reach me by telephone at (301) 415-3835 or Louis Wheeler, the Environmental Project Manager at (301) 415-1444. You may also email us at JXD10@nrc.gov or DXW@nrc.gov.

Sincerely,

/RAI

Jennifer A. Davis, General Scientist
License Renewal and Environmental Impacts Program
