TRAINING: No special training requirements have been identified for any documents issued with this change notice.

REMARKS: TI 2515/151 (Expanded Pilot Force-on-Force Exercise Evaluation) is issued to evaluate the impact of enhancements to a licensee's protective strategy resulting from the Order of February 25, 2002, requiring interim compensatory measures (ICMs). This TI will also evaluate licensees' capabilities to protect against expanded adversary characteristics.

Attachment A to this TI contains safeguards material and is not included with the TI. For information on this attachment contact David N. Orrik on (301) 415-7651 or at dno@nrc.gov.
