Dear Mr. MacDonald:

Per my conversation with Dick Odegaarten regarding our license application for Model CNS 1-13CII shipping package, I have enclosed an additional \$6,300.00. Added to the \$700.00 originally submitted on June 18, 1981, this will bring our application into compliance with the requirements of 10CFR170.31(B).

If you have any questions concerning this matter, please do not hesitate to contact me.

Sincerely,

CHEM-NUCLEAR SYSTEMS, INC.
