SUBJECT: MAINTENANCE OF REFERENCE MATERIAL AT THE COAL CITY PUBLIC  
LIBRARY DISTRICT FOR THE DRESDEN NUCLEAR POWER STATION  
LICENSE RENEWAL APPLICATION

Dear Ms. Franciskovich:

The Nuclear Regulatory Commission (NRC) staff appreciates the support of the Coal City Public Library District in assisting the public with participation in the NRC license renewal process for the Dresden Nuclear Power Station (DNPS), Units 2 and 3. Mr. Louis Wheeler, of the NRC staff, recently visited your library to discuss this interest. As discussed, your support would consist of providing shelf space in your reference section which would be used for making documents related to the NRC staff's environmental review of the DNPS license renewal application available to the public.

We will place the Coal City Public Library District on our distribution list for documents and notices related to the application for license renewal at DNPS.

Thank you for your cooperation and support. If you have any questions, you can reach me by telephone at (301) 415-2981 or Louis Wheeler, the Environmental Project Manager at (301) 415-1444. You may also email us at [CXG3@nrc.gov](mailto:CXG3@nrc.gov) or [DXW@nrc.gov](mailto:DXW@nrc.gov).

Sincerely,
