I, Walter L. Campbell, being duly sworn, state as follows:

1. I am currently employed by Pacific Gas and Electric Company ("PG&E") as Director of Business and Financial Planning. In this capacity, I supervise preparation of financial forecasts, rate of return testimony, analysis of financial policies and other economic analyses. I also coordinate preparation of major business planning studies, such as the annual business plan. I report to the Chief Financial Officer of PG&E.
2. I have been employed by PG&E or one of its affiliates since 1985.
3. I provided input to PG&E's responses to Interrogatories 1, 2, and 3, and Request for Production 1, as set forth in the "California Energy Commission Interrogatories and Request for Production of Documents to Pacific Gas and Electric Company," filed by interested governmental participant California Energy Commission on February 14, 2003.
