

April 24, 2003

The Honorable Mike DeWine
United States Senator
Casework Office
37 W. Broad Street, Suite 300
Columbus, OH 43215

Dear Senator DeWine:

I am responding on behalf of the U. S. Nuclear Regulatory Commission to your letter of January 28, 2003, forwarding the concerns of your constituent, Howard C. Whitcomb, III, regarding the Davis-Besse Nuclear Power Station.

We have reviewed Mr. Whitcomb's concerns and responded to him in the enclosed letter. As stated in the letter, we have forwarded his concerns to the Office of the Inspector General. As discussed with your casework office staff on April 22, 2003, the enclosures provided to Mr. Whitcomb are not being attached due to their voluminous nature. However, should you desire the enclosures, please contact Dennis Rathbun at (301) 415-1776.

Sincerely,

/RA/

William D. Travers
Executive Director
for Operations

Enclosure: As stated
