OFFICE OF THE SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF

Below is the result of your feedback form. It was submitted by

(david.katzman@zipatoni.com) on Monday, March 03, 2003 at 15:01:38

comments: How dare you agree to allow nuclear power plants to dump tools, pipes, concrete, and steel - some of which have become slightly radioactive - into scrapyards! Have you no shame? Do you not care about human beings who will be poisoned because of this action? You are not a regulatory commission, you are a rubber stamp for polluters.
