SUBJECT: Safety Light Corporation Site Proposed Administrative Orders of Consent

Dear Mr. Harmon:

This letter encloses the various proposed Administrative Orders of Consent (AOC) that were faxed and/or mailed to NRC Region I for our information. These documents transmitted by letters dated August 15, 2002, September 6, 2002, October 8, 2002, January 23, 2003, and January 29, 2003 were considered draft and superseded with a final AOC dated February 3, 2003. We are returning these documents to you as the licensee representative, because we do not generally accept draft documents for the public record. Also note that your application dated September 16, 2002 to treat the September 6, 2002 letter and the attachments as confidential is moot with the return of the above stated letter and attachments.

As required by 10 CFR 2.790, a copy of this letter will be placed in the NRC Public Document Room, and will be accessible from the NRC Web site at <http://www.nrc.gov/reading-rm.html>. If you have any questions concerning this matter, please contact me at 610-337-5200.

Thank you for your cooperation.

Sincerely,

Original signed by Ronald R. Bellamy
