Mr. Cain,

As per our conversation of March 5, 2003, here is the information that you requested regarding mail control 469306. I Paul DesFosses, project manager for Structural Testing and Inspection, am formally requesting that the application for licensing with the NRC be refunded as we are not pursuing licensing at this time. The refund should be made out to Structural Testing and Inspection as the funds came from Structural Testing and Inspection and not Lowell Trujillo. Please send the refund to P.O. Box 613, Pocatello, Idaho, 83204. As of approximately January 15, 2003, Lowell Trujillo has opted to pursue other interests and therefore is no longer affiliated with Structural Testing and Inspection. Thank you for your time. If I may be of any further assistance please contact me at 208-234-4761.

Thank you,

Paul DesFosses
