Mr. Robert H. Bryan, Chairman  
Westinghouse Owners Group  
Tennessee Valley Authority  
Mail Code LP4J-C  
6A Lookout Place  
1101 Market Street  
Chattanooga, TN 37402-2801

SUBJECT: ACCEPTANCE OF WCAP-15996-P, REVISION 0 AND WCAP-15996-NP,  
"TECHNICAL DESCRIPTION MANUAL FOR THE CENTS CODE"  
(TAC NO. MB6982)

Dear Mr. Bryan:

By letter dated December 13, 2002, the Westinghouse Owners Group (WOG) submitted for NRC staff review Topical Report (TR) WCAP-15996-P, Revision 0, "Technical Description Manual for the CENTS Code." It also requested, consistent with the NRC's Office of Nuclear Reactor Regulation Instruction LIC-500, "Processing Requests for Reviews of Topical Reports," that the NRC provide an estimate of the review hours, as well as target dates for any requests for additional information (RAIs) and for the completion of the safety evaluation (SE) for the TR.

The NRC staff has performed an acceptance review of WCAP-15996-P, Revision 0. We have found that the material presented is complete enough to begin a review. The staff expects to issue RAIs by March 31, 2003, and complete its review by June 30, 2003. It is estimated that the review will require approximately 330 staff hours.

Section 170.21 of Title 10 of the Code of Federal Regulations requires that TRs are subject to fees based on the full cost of the review. You did not request a fee waiver; therefore, staff hours will be billed accordingly. To enable us to complete this review on schedule, close and frequent communications between our technical staffs will be required.

Sincerely,

*/RA/*
