TVA Exhibit 91

TVA Exhibit 91 includes more than 51 memorandums notifying Browns Ferry employees on about February 12, 1997, as part of the 1996 reorganization of TVAN, that their jobs are no longer needed and of their option to resign or to be assigned to CTS. The memorandums are essentially the same as the memorandum sent to Fiser, Joint Exhibit 28. Generally, the retention registers used to determine which employees were surplus are contained in TVA Exhibit 89. The retention registers used an effective date of September 1997 since employees who were assigned to TVAS during Fiscal Year 1997 were assured that their employment would not be terminated before the end of September 1997.
