TVA Exhibit 87

TVA Exhibit 87 includes retention registers and RIF notices effective September 26, 1997, for Watts Bar employees who were earlier assigned to CTS as part of the 1996 reorganization of TVAN. The exhibit lists more than 115 employees on more than 30 retention registers representing the same number of separate competitive levels. Based on those retention registers, RIF notices, also included as part of the exhibit, with effective dates around September 26, 1997, were issued to nearly 45 employees.
