Mr. Eric J. Leeds, Section Leader
Spent Fuel Licensing Section
Spent Fuel Project Office
Office of Nuclear Material Safety and Safeguards
U. S. Nuclear Regulatory Commission
P.O. Box 20555 M/S-06G22
Washington, DC 20555

Subject: Transnuclear Model Nos. TN-8 and TN-8L Packagings
Certificate of Compliance No. 9015
Request for Renewal

Reference: Certificate of Compliance No. 9015 Revision 18 for the Model Nos. TN-8 and
TN-8L Shipping Packages dated March 26, 1996.

Dear Mr. Leeds:

Transnuclear, Inc. requests renewal of Certificate of Compliance No. 9015, Rev 18. The current Certificate expires on May 31, 1996. Transnuclear has reviewed the current SAR and finds that it is complete and current.

If you have any questions, please contact me.

Sincerely,

Michael Mason
Chief Engineer
