Subject: Re: MINUTES FOR MEETING NUMBER 370

Les,

I did not attend the meeting, but I have one comment as a CRGR member and reader of the document:

Where the memo indicates that there is a proposed backfit, it seems that there should be a sentence explaining the CRGR's acceptance of the appropriate analysis for the generic aspects of the backfit.

Bruce

For your review and comment.

Attached is the minutes for meeting number 370 (04/23/02), "Final Rule-Decommissioning Trust Provisions"

Please have comments in by COB 4/30/2002.

Thank you
Les
