PETITIONERS' STATEMENT OF ISSUES TO BE RAISED

COME NOW Margene Bullcreek, Lisa Bullcreek, Rex Allen, Mary Allen, Daniel Moon, Delford Moon, Lena Knight, Abby Bullcreek, and Linda Williams, individual members of the Skull Valley Band of Goshute Indians and members of the Band's General Council, and Ohngo Gaudadeh Devia ("OGD"), through their attorneys, EchoHawk Law Offices, pursuant to the Court's Order dated February 3, 2003, and submit the following statement of issues to be raised:

The NRC's December 18, 2002 Memorandum and Order, DLI-02-20, denied a petition to institute rulemaking pursuant to 10 C.F.R. § 2.802(a) to amend regulations governing independent spent fuel storage installations (ISFSIs"), 10 C.F.R. Part 72, to make clear that licensing is allowed only for federally owned and operated away-from-reactor spent nuclear fuel ("SNF") storage facilities and not for an away-from-reactor storage facility that is privately owned. The requested amendment is necessary to bring Part 72 into conformity with the Nuclear Regulatory Policy Act of 1982, as amended, 42 U.S.C. §§ 10101 *et seq.* The Petition for Review was filed by Petitioner for review of the NRC Memorandum and Order to the extent the Memorandum and Order denied the Petition to Institute Rulemaking filed before the NRC on February 11, 2002.

DATED: March 5, 2003.
