SUBJECT: MICHIGAN DEPARTMENT OF NATURAL RESOURCES' BAY COUNTY  
TOBICO MARSH STATE GAME AREA SITE DECOMMISSIONING PLAN

Dear Ms. Gruben:

On March 3, 2003, in accordance with License Condition 11A of the Nuclear Regulatory Commission license to the Michigan Department of Natural Resources (MDNR) dated September 20, 2002, we received from your consultant, MACTEC, the Decommissioning Plan (DP) for the MDNR's Site Decommissioning Management Plan (SDMP) site known as Tobico Marsh State Game Area (SGA). MACTEC's transmittal letter dated February 28, 2003, indicated that the following items will be transmitted to the NRC under separate cover:

- The licensee's formal letter requesting license amendment to incorporate the DP;
- A revised decommissioning funding plan to include a Revised Cost Estimate for the preferred decommissioning approach in accordance with 10 CFR 40.36.

To date, we have not received the above two items.

In addition, the NRC staff needs the Environmental Report for the site to prepare an Environmental Assessment to satisfy 10 CFR Part 51 requirements. Also, the DP needs to include the contents of the Final Status Survey Report (Refer Page A22, Appendix A Acceptance Review Checklist attached to NRC's letter dated March 26, 2001).

Therefore, the DP is incomplete and we will not start reviewing the DP until the above information is received. Within 30 days from the date of this letter, please provide your reasonable time schedule to submit the above information. If you have any questions regarding this letter, please contact me on 301-415-6694.

Sincerely,
