Steve,

I'm not sure what you're talking about. There have been e-mails that the 0350 Panel telecon was moved from 2pm to 4 pm to "accommodate the call on the 2.206 petition". Before the time change, you had arranged for us to meet in 7D6 for the call at 2 pm. So, my questions are now.

1. Is there a call at 2 pm on the 2.206 petition in room 14B8, today? And, if so, am I right in assuming I should be there?
2. Where is the 4 pm call going to be? Still 7D6?
