Dwight,

Yes, I've neglected you in my haste. For purposes of technical quality control. Mike Johnson is convening a meeting tomorrow at 1 pm in O9B6. Attendance is intended to be people who provided inputs to my analysis and 2 "PRA logic" reviewers, Steve Dinsmore and Gary Demoss. I think you and Theresa could attend, also

You already have a copy of the draft that was distributed for this meeting

Steve

Is there a meeting tomorrow on Davis Besse PRA? I think you told me about one on Wednesday but I wasn't sure about Tuesday.
