Thank you for the opportunity
of letting us share our feelings
regarding Diablo, and all its problems.

What benefit is SLO or PG&E
receiving at this time from
Diablo? If 20 yrs ago we
said "yes" because of "\$" - they
are now bankrupt - where is
the "\$" - Is this just a bad
business deal that is a threat
over the Central Coast what a
costly mistake we allowed in
our own backyard!
