

December 19, 2002

Republic Engineered Steel, Inc.  
Attention: Radiation Safety Officer  
410 Oberlin Road/S.W. PO Box 579  
Massillon, OH 44648

Gentlemen:

I am enclosing Invoices AM4932-01 and AM5236-02 for the annual fee for your License 34-23419-02 for FY 2001 and FY2002. On December 1, 1999, Invoice AM0951-00 was issued for the FY 2000 annual fee.

On August 31, 1999, the NRC transferred certain licenses to the State of Ohio and retained licensing authority for certain activities. The activities retained by the NRC are authorized on your License 34-23419-02.

Due to an error in the NRC's License Tracking System which monitors the status of licenses, for a period of time your license was incorrectly classified as "inactive" when in fact your license was active. The inactive classification prevented annual fee invoices from being generated from our billing system for your license for FY's 2001 and 2002. The coding error has now been corrected.

I apologize for the delay in notifying you of the required fees. If you have any questions, please contact Shirley Crutchfield at 301-415-6097.

Sincerely,

*/RA/*

Diane B. Dandois, Chief  
License Fee and Accounts Receivable Branch  
Division of Accounting and Finance  
Office of the Chief Financial Officer

Enclosures: As stated
