Commissioner Dicus
Commissioner McGaffigan
Commissioner Merrifield

FROM: William D. Travers */RA William F. Kane Acting For/*
Executive Director for Operations

SUBJECT: STATUS OF ALLEGATION PROGRAM - CALENDAR YEAR 2002
ANNUAL REPORT

In SECY-94-089, "Response to the Report of the Review Team for Reassessment of the NRC's Program for Protecting Allegers Against Retaliation," the staff committed to have the Agency Allegations Advisor provide an independent annual report to the Executive Director for Operations that assesses the conduct of the allegation program in each office and region. A copy of the annual report for Calendar Year 2002 is attached for your information. The staff intends to place the report in the ADAMS public library ten days from the date of this memorandum unless the Commission determines otherwise.

The report contains an assessment of the allegation program, a review of allegation data for adverse trends for reactor and materials licensees and contractors, and a review of the resources expended on the follow-up of technical allegations. Because the Office of Investigations prepares an annual report covering the follow-up of allegations involving wrongdoing, this annual report does not specifically address activities concerning those allegations.
