Dear Mr. Vinson:

As a result of a recent audit of our records, we discovered that your August 21, 2002, request for a reciprocity registration with the NRC was not necessary. INDEV Gauging Systems submitted NRC Form 241, "Report of Proposed Activities in Non-Agreement States, Areas of Exclusive Federal Jurisdiction, or Offshore Waters," dated August 21, 2002, and paid a registration fee of \$1,400 for authorization to service generally licensed devices (gauges). As indicated below, a refund of \$1,400 is forthcoming.

INDEV is licensed by the State of Illinois to service generally licensed devices. 10 CFR 31.6 allows any licensee possessing an Agreement State license, which authorizes services to generally licensed devices, a general license to perform the same activity in non-Agreement States. The NRC agrees that you were not required to file Form 241 and submit a fee. Therefore, I am refunding the \$1,400 registration fee which accompanied your August 21, 2002, request.

If you have any questions, please contact Shirley Crutchfield at 301 415-6097.

Sincerely,

Diane B. Dandois, Chief **/RA/**
