OFFICE OF SECRETARY
 RULEMAKINGS AND
 ADJUDICATIONS STAFF

Dinwo Canyon should be decommissioned.
 Diablo Canyon used to be the Golden
 Goose of San Luis Obispo County but
 now it is a sitting duck and we
 are in the nest with her.

It is a travesty of justice that all but
 one of the contentions filed by the Mothers
 for Peace at the Sept 10 & 11 Diablo Canyon
 Dry Cask waste hearings were dismissed.

At the very least all of the contentions
 should be fully adjudicated. It is not
 honorable to do less.

The world is not the same. Your first
 priority should be the people of the Central
 Coast, not corporate interests.
