Docket No. 72-22-ISFSI

APPLICANT'S MOTION FOR PAGE LIMIT EXTENSION

As evidenced by Applicant's Motion for Clarification and Setting of Time for Filing Motions for Reconsideration, dated March 20, 2003, Applicant has been considering the filing of a motion for reconsideration with the Board. In the course of that process, we now believe that such a motion could exceed ten pages in length. Because this did not become clear until we were well along in the consideration of filing such a motion, we were not able to request a page limit extension at an earlier time. Applicant is thus filing this motion to request the Board's approval to file a motion for reconsideration not to exceed 15 pages. Counsel for the NRC Staff has no objection to the requested extension. Counsel for the State of Utah has no objection provided that the State's response to any such motion be limited to 15 pages.

Respectfully submitted,

Jay E. Silberg
