Subject: **ORDER PROHIBITING INVOLVEMENT IN NRC-LICENSED  
ACTIVITIES (NRC Office of Investigations Report No. 1-2001-031)**

Dear Ms. Joustra:

I Linda Monro hereby consent to the subject Order. My understanding of this Order is to prohibit myself from managing, supervising or overseeing NRC-licensed activities or individuals while they are engaged in licensed activities, including duties as a Radiation Safety Officer for a period of one year effective February 28, 2003.

I understand that as part of this consent I will still be allowed to perform radiography as a radiographer and that I may supervise an assistant radiographer when acting as a radiographer engaging in NRC licensed activities.

I appreciate the efforts your agency as afforded me and hope that after the one year suspension period is completed I may one day regain my credibility as a radiation safety officer of licensed materials.

Sincerely,

Linda Monro
