Dear Mr. Houghton:

SUBJECT: REQUEST FOR INITIATING EVENTS DATA

In response to your request, I have attached the initiating events data you requested. The data consist of three tables from Appendix D: Tables D-5, D-8, and D-13, of the draft report, "Rates of Initiating Events at U.S. Nuclear Power Plants: Update 1987-1998," NUREG/CR-5750, Addendum (DRAFT), March 2000. As I mentioned, this draft report did not receive the same peer review and quality assurance as the original report, and the updated final report has not been published. Since that time, a few minor inconsistencies in this data have been discovered, and therefore there have been a few very minor changes in the data.

If you have any questions related to this data, please contact me at (301) 415-6344 or e-mail at mrh1@nrc.gov.

Sincerely,

/RA/
