Mr. Cass R. Chappell, Section Chief
Licensing Section
Spent Fuel Project Office
Office of Nuclear Material Safety and Safeguards, NMSS
U.S. Nuclear Regulatory Commission
Washington, DC 20555

Dear Mr. Chappell:

SUBJ: CONSOLIDATED SAFETY ANALYSIS REPORT FOR THE IF-300, C OF C 9001

Attached are 6 copies of replacement pages for Appendix D, Volume IV (Non-proprietary) of the IF-300 Cask Consolidated Safety Analysis Report. Appendix D was previously transmitted to you in a letter dated June 8, 1999. Several pages are being replaced due to a problem in reproduction which resulted in some of the figures being difficult to read. The pages needing replacement are pages D-6-7 through D-6-14, and pages D-6-43 and 44. We apologize for any inconvenience this may have cause.

Should you or members of your staff have any questions about the application, please feel free to contact me at (803)758-1898.

Sincerely,

Mark S. Whittaker, CHP
Senior Project Analyst
