Dear Mr. Scarola:

This refers to the open annual assessment category 1 public meeting that was conducted at our request at the Apex Community Center on March 25, 2003, to present the results of the 2002 annual assessment. The topics discussed included the reactor oversight process, the NRC's action matrix and the performance of the Harris Nuclear Plant. A list of attendees and a copy of the presentation handouts are enclosed.

It is our opinion that this meeting was beneficial.

In accordance with 10 CFR 2.790 of the NRC's "Rules of Practice," a copy of this letter and its enclosures will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS).
