Dear Ms. Sosa,

Re: **AECL Copyright Notice**

During the current pre-application review for the ACR AECL Technologies will be transmitting documents to the NRC that bear an AECL copyright notice. The NRC is permitted to make the number of copies of these reports which is necessary for NRC's internal use in connection with the ACR pre-application review, subject to the requirements of 10CFR 2.790 regarding restrictions on public disclosure to the extent that such information has been identified as proprietary by AECL, copyright protection notwithstanding. For the non-proprietary versions of these reports, where they exist, the NRC is permitted to make additional copies (i.e., beyond those necessary for its internal use) in order to have one copy available for public viewing in the appropriate docket files in the public document room in Washington DC and in local public document rooms as may be required by NRC regulations. All copies made by the NRC of any AECL documents must include any copyright and/or proprietary notices that are present in the copies sent to the NRC.

If you have any questions with regards to this letter please contact the undersigned at (905) 823-9060 extension 6543.

Yours sincerely,

Vince J. Langman
