FYI:

The call is at 10:00 am Tuesday, January 29.

This call is a PBMR planning/coordination meeting as it relates to the future NRC/Exelon/DOE meetings on fuel qualification and to NRC/DOE/Exelon cooperative fuel irradiation test planning. Substantive technical discussions on test plans are not the purpose of this call.

Contact me via E-mail if you plan to participate and call in to the bridge.

Thanks.

Stu
