Subject: **Accepted Versions (Proprietary and Non-proprietary) of GE Licensing Topical Report NEDC-32721P-A / NEDO-32721-A, Revision 2, "Application Methodology for the General Electric Stacked Disk ECCS Suction Strainer", March 2003**

References: MFN 02-039, Letter from C.F. Holden (NRC) to J.F. Klapproth (GE), *Review of GE Nuclear Energy Licensing Topical Report, NEDC-32721P, "Application Methodology for GE Stacked Disc Suction Strainer," Part II (TAC No. MB3311)*, June 28, 2002.

MFN 99-049, Letter from M.J. Davis (NRC) to T.A. Green (GE), *Safety Evaluation Concerning General Electric Topical Report NEDC-32721P, "Application Methodology for the General Electric Stacked Disk ECCS Suction Strainer," Part I (TAC No. M98500)*, February 3, 1999.

This letter submits the "-A" (accepted) versions (proprietary and non-proprietary) of the subject Licensing Topical Report (LTR), which incorporates the referenced letters and safety evaluation (Parts 1 and 2) by the Office of Nuclear Reactor Regulation within the document. Specifically, Enclosure 1 (CD-ROM labeled *GE Proprietary Information*) contains three Adobe Portable Document Format (PDF) files comprising: (1) this letter (filename: MFN-03-022.pdf), (2) the non-proprietary "-A" version of the LTR (filename: NEDO-32721-A Rev2.pdf), and (3) the proprietary "-A" version of the LTR (filename: NEDC-32721P-A Rev2.pdf). Enclosure 2 (CD-ROM labeled *Publicly Available*) contains only the first two files.

Please note that NEDC-32721P-A Rev2.pdf (Enclosure 1) contains proprietary information of the type that GE maintains in confidence and withholds from public disclosure. The information has been handled and classified as proprietary to GE as indicated in the affidavit included in the report. GE hereby requests that this information continue to be withheld from public disclosure in accordance with the provisions of 10 CFR 2.790 and 9.17.

Please contact me if you have any questions about this information.

Sincerely,

A handwritten signature in blue ink, appearing to read "George Stramback", with a long horizontal flourish extending to the right.

George Stramback
