Details for Discussion with FENOC this week

Doug,

When we have our telephone discussion with FENOC this week (regarding numerically modeling failure of enlarged cavities), it would be helpful if they are prepared to describe the mechanical constraints on the CRDM housings, both vertical and horizontal.

Fwd: Details for Discussion with FENOC this week

Mike -

As discussed this morning, we would like to conduct a telecon with your contractors tomorrow, Thursday, August 1 at 11:00 a.m. EST to discuss your submittal of July 20, 2002. Also, Steve Long has prepared the attached thoughts which we would also like to discuss.

I've reserved a conference bridge for this call. Use the standard bridge number of either 301-231-5539 or 800-638-8081 with passcool and the passcool and the standard bridge number of either 301-231-5539 or 800-638-8081 with passcool and the standard bridge number of either 301-231-5539 or 800-638-8081 with passcool and the standard bridge number of either 301-231-5539 or 800-638-8081 with passcool and the standard bridge number of either 301-231-5539 or 800-638-8081 with passcool and the standard bridge number of either 301-231-5539 or 800-638-8081 with passcool and the standard bridge number of either 301-231-5539 or 800-638-8081 with passcool and the standard bridge number of either 301-231-5539 or 800-638-8081 with passcool and the standard bridge number of either 301-231-5539 or 800-638-8081 with passcool and the standard bridge number of either 301-231-5539 or 800-638-8081 with passcool and the standard bridge number of either 301-231-5539 or 800-638-8081 with passcool and the standard bridge number of either 301-231-5539 or 800-638-8081 with passcool and the standard bridge number of either 301-231-5539 or 800-638-8081 with passcool and the standard bridge number of either 301-231-5539 or 800-638-8081 with passcool and the standard bridge number of either 301-231-5539 or 800-638-8081 with passcool and the standard bridge number of either 301-231-5539 with passcool and the standard bridge number of either 301-231-5539 with passcool and the standard bridge number of either 301-231-5539 with passcool and the standard bridge number of either 301-231-5539 with passcool and the standard bridge number of either 301-231-5539 with passcool and the standard bridge number of either 301-231-5539 with passcool and the standard bridge number of either 301-231-5539 with passcool and the standard bridge number of either 301-231-5539 with passcool and the standard bridge number of either 301-231-5539 with passcool and the standard bridge number of either 301-231-5539 with passcool and the standard bridge number of either

I have reserved conference room O9B-2 for headquarters personnel.

Doug
