NRR

ARGONNE NAT LAB

Bill,

Here's my first draft. I'm so bleary-eyed that I'm not even sure I've found all the places I left [ ]s to fill-in later. So, any comments on grammar or clarity would be welcome, as well as the technical review of the parts you provided.

My branch chief wants to have a meeting of contributors and reviewers on Tuesday, 8/13 at 1 pm. If you can "attend by telephone" that would be helpful. Let me know and I'll provide a number before the meeting.

Also, the URL for Bill Corcoran's website and e-mail group is [http://groups.yahoo.com/group/DBRVH\\_LTBL](http://groups.yahoo.com/group/DBRVH_LTBL). You need to "join" but can just observe without participating.

Steve
