

COMMISSIONER
U.S. NUCLEAR REGULATORY COMMISSION

Dear Senator Edwards,

1/10/01

Last month, I had the opportunity to tour the McGuire nuclear power plant in Hantsville.

Overall, I believe this was an informative and positive visit, and I would be pleased to personally brief you on my impressions of this facility.

I will have my staff contact your scheduler in the next few days to see when there is a convenient time in your schedule.

Sincerely,

Jeffrey M. Wright
