FROM: Ashok C. Thadani, Director /RA/
Office of Nuclear Regulatory Research

SUBJECT: TRIP REPORT: INSAG 5TH TERM MEETING: VIENNA,
AUSTRIA, MARCH 7-9, 2001

The fourth meeting of INSAG's fifth term (i.e., the 45 meeting of INSAG) was held in Vienna, Austria, on March 7-9, 2001. Attachment 1 is the list of attendees. Attachment 2 is the provisional agenda for the meeting. Other attachments to this report can be made available upon request to A. Szukiewicz (415-6596).

The purpose of INSAG is to advise the Director General of the IAEA on important issues in the field of nuclear safety, radiation safety, and the safety of radioactive waste. Its function is to:

- a. Recommend principles upon which appropriate safety standards and measures can be used;
- b. Provide a forum for the exchange of information on generic safety issues of international significance;
- c. Identify important current safety issues and draw conclusions on the basis of results of safety activities worldwide, along with other information such as research and development results;
- d. Give advice on safety issues in which an exchange of information or additional effort may be required.

Highlights of the meeting are summarized below.
