RE: Registration of Type B Package User

N.D.E., Inc. (NDE), was previously registered under Florida Radioactive Materials License No. 2046-1. When NDE changed ownership in 2002, Florida regulations required NDE to apply for a new license. NDE's new license, No. 3404-1, has replaced License No. 2046-1 which has been terminated.

N.D.E., Inc.
4816 N. Clark Avenue
Tampa, FL 33614
Florida Radioactive Materials License No. 3404-1

Type B Packages: AEA Technology QSA Inc. **Model 650L** source changer
package ID: USA/9269/B(U)-85

AEA Technology QSA Inc. **Model 660-OPL** transport container
USA/9283/B(U)-85

Technology QSA Inc. **Model 660 A** radiographic exposure device
package ID: USA/9383/B(U)-85

AEA Technology QSA Inc. **Model 660 B** radiographic exposure device
package ID: USA/9383/B(U)-85

The Model 660 A and 660 B devices must be shipped in the Model 660-OPL container.

NDE is not an NRC licensee and does not conduct licensed activities in NRC jurisdictions; therefore, NDE is not required to have an NRC-approved package QA program.

Please provide written confirmation of NDE's registration as a Type B package user. Your attention to this matter is greatly appreciated. Please contact me if additional information is needed.

Sincerely,

Peter M. Cofer
President/RSO
