

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

June 4, 1981

TO ALL PLANTS WITH AN OPERATING LICENSE OR A CONSTRUCTION PERMIT
(Generic Letter No. 81-23)

Gentlemen:

Because of continued interest by the ACRS and NRC staff management in the plant specific evaluation reports issued by the Institute of Nuclear Power Operations (INPO) we request that a copy of any such report issued for your Station be placed on your docket. Please submit the reports through normal docketing channels.

The staff must be familiar with these reports in order for us to be responsive in appearances before the ACRS and in our obligations to answer questions fully when requests from the public are received. We have already found the Crystal River 3 Evaluation Report very informative. It was issued in April 1981 and a copy was hand delivered to us by Florida Power Corporation management following a recent ACRS Subcommittee meeting.

Sincerely,

Darrell G. Eisenhut, Director
Division of Licensing
Office of Nuclear Reactor Regulation

CCS:
Mr. E. P. Wilkinson
President and Chief Executive Officer
Institute of Nuclear Power Operations
