

RESOLUTION ADVISING SECRETARY TOM RIDGE OF  
SECURITY AND EVACUATION CONCERNS AT THE  
OYSTER CREEK POWER PLANT

APRIL 8, 2003

WHEREAS, there have been repeated complaints from Jersey Shore Nuclear Watch and others that the Oyster Creek Nuclear Power Plant in the Township of Lacey has not provided adequate security or an adequate evacuation plan in the event of an emergency; and

WHEREAS, these complaints have been buttressed by TV news reports regarding alleged security lapses; and

WHEREAS, State Senator Leonard T. Connors has noted that "what does it say about security there, when you can drive leisurely around the grounds at a nuclear power plant, in a van, with a video camera in your hand, without ever being stopped and questioned"; and

WHEREAS, the Asbury Park Press has raised similar concerns; and

WHEREAS, our Country is at war and faces the increased risk of terrorist attacks; and

WHEREAS, the response of Oyster Creek has been neither satisfactory nor reassuring; and

WHEREAS, the Township Committee believes such concerns should be brought to the attention of Tom Ridge, Secretary to the Department of Homeland Security;

NOW, THEREFORE, BE IT RESOLVED by the Township Committee of the Township of Dover, in the County of Ocean, and State of New Jersey, as follows:

1. The Mayor is directed to send a letter to Tom Ridge expressing the Township Committee's concerns about the Oyster Creek Nuclear Power Plant.
