NRC-04-03-061 Modification No 1 Page 2

The purpose of this modification is to: (1) provide incremental funding in the amount of \$200,000 hereby increasing the obligated amount from \$100,000 to \$300,000, and (2) establish specific deliverable dates in accordance with the kick-off meeting held on March 20, 2003. Accordingly, the contract is hereby modified as follows:

- 1 Under Section B.3, Consideration and Obligation–Cost Plus Fixed Fee, paragraph (c) and (d) are revised as follows:
 - "(c) The amount currently obligated by the Government with respect to this contract is \$300,000, of which the sum of \$279,900 represents the estimated reimbursable costs, and \$20,100 represents the fixed fee.
 - (d) It is estimated that the amount currently allotted will cover performance through October 15, 2003."
- 2. Section F.7, Deliverables/Reporting Requirements, is hereby revised as described in the attached.

All other terms and conditions of the subject contract remain unchanged

A summary of obligations, from the award date through the date of this modification, are provided below:

FY 03 Obligations: \$300,000

ť.

Cumulative: \$300,000

This modification obligates FY 03 funds in the amount of \$200,000

All reports required under this contract shall be provided in WordPerfect 8.0 format. The content of each report is broadly described in each task description with the details on the technical level and completeness to be jointly agreed upon by the NRC Project Officer and the Principal Investigator. The reports shall be self-contained, and shall be suitable for publication as a NUREG/CR report. The reports shall include an Executive Summary that summarizes the research results with regard to the project objectives as defined in this Statement of Work.

Presentations of accomplished research results at professional meetings and publication of this technical work in peer-reviewed professional journals are expected. A copy of all written and oral presentations including technical papers and abstracts to be submitted for publication in technical journals, related to or funded by this project, shall be transmitted to the NRC Project Officer prior to presentation or submittal for publication. The contractor shall abide by the following reporting requirements described in NRCAR 2052.235-70 Publication of Research Results (Section G).
